The International Student Financial Aid Application is designed to gather information from international students who are applying the Christopher Peterson Memorial Fellowship for the Master of Applied Positive Psychology program at the University of Pennsylvania.

When completing the application, it is important to:

- Answer all questions that apply to you and your family as applicable.
- Convert all currency figures to U.S. dollars (\$) before entering them on the form.
- **Email this form directly to the MAPP program: aaronb2@sas.upenn.edu**

Some of the questions on the International Student Financial Aid Application are self-explanatory; the instructions that follow are only provided for questions that may need further explanation.

Section A (Student's Information) Questions #1 through #9

This section pertains to the student who is applying for aid.

Section B (Parent's Information) Questions #10 through #13

We recognize not all applicants to MAPP are dependent on their parents for financial support. Please only complete this section if you are financially dependent on your parents.

On this application, "parents" means the custodial parent(s) — the parent or parents (or legal guardian) with whom the student may live. If the student's biological or adoptive parents are divorced or separated, the custodial parent(s) are the parent or parents with whom the student has lived the most during the 12 months prior to filling the application. If the custodial parent has remarried, "parents" includes the student's biological/adoptive parent and stepparent.

Section C (Financial Information) Questions #14 through #17

If you are in the running for the award, we may request documentation to backup what you enter in this section. Documentation requested may include: tax forms, a statement from your employer, bank statements, etc.

Section D (Asset Information) Questions #18 through #22

Asset information pertains to the parents or to the student and the student's family if the student is married and lives independently of the parents.

Write in the value of assets and, where asked, any debt against the asset as of the time you complete this application.
